DECLARATION OF CONFORMITY

From, supplier: Železiarne Podbrezová, a.s.

To, customer:

Železiarne Podbrezová a.s. hereby declares that, to the best of our knowledge, the products we deliver are in conformity with the latest applicable versions of the following directives and regulations of the European Union and other requirements listed below:

Directive 2011/65/EU (RoHS Directive)
Commission Delegated Directive (EU) 2015/863 amending Annex II to Directive 2011/65/EU
Regulation (EC) No 1907/2006 (REACH and SVHC)
Regulation (EU) 2019/1021 on persistent organic pollutants (POPs)
Regulation (EU) 2024/573 on fluorinated greenhouse gases
Regulation (EU) 2024/590 on substances that deplete the ozone layer
Regulation (EU) 2017/821 on supply-chain due diligence for conflict minerals
Section 1502 of the US Dodd-Frank Act concerning conflict minerals
Regulation (EU) 2025/40 on packaging and packaging waste (PPWR)

Železiarne Podbrezová ensures the flow of information within the supply chain. Železiarne Podbrezová has no obligations arising from the registration or notification of substances and preparations.

Through a systematic approach, the company verifies compliance with applicable regulations and legal requirements. Our personnel assess products and components for risk factors. Based on this assessment, the supplied steel blooms, tubes and fittings are cyclically checked for compliance with substance prohibitions and declaration obligations. Our suppliers also undertake to comply with substance prohibitions and declaration obligations in accordance with the directives and regulations mentioned above.

In this context, we regularly ask our upstream suppliers to provide the relevant information regarding RoHS, REACH and POP. According to current knowledge, the products do not contain any substance on the Candidate List

Please do not hesitate to contact us if you have any questions or uncertainties.

We look forward to a continued trustful and good cooperation.

With kind regards
